ROYAL LIMITED LIFETIME WARRANTY FOR STAINLESS STEEL SINKS

Royal USA will replace without any charge, (does not include labor) any Royal USA stainless steel sink that was proven to be defective under normal residential use, provided that it has been installed and maintained in accordance with Royal USA instructions. This warranty is for the original owner of a Royal USA stainless steel sink. In the event of limited warranty claim, proof of purchase will be required –save sales receipt.

Royal USA reserves the right to inspect any sink that is reported to be defective prior to replacement. All decisions are final. Replacement cost does not include any labor costs, transportation, removal or reinstallation.

This limited lifetime warranty DOES NOT COVER the following:

1. Improper installation/modification
2. Damages resulting from abuse, misuse, accidents, environmental factors
3. Improper care or maintenance
4. Improper applications such as exposure to corrosive chemicals, etc.
5. Commercial applications
6. Any modifications made to the product after, it left Royal USA premises
7. Surface Scratches. (Scratches are inevitable in any sink material, including stainless steel. Over time these scratches will become uniform with the sink's grain)

Maintenance instructions for stainless steel sink:

For more info please visit us at www.RoyalSink.com

We recommend use of mild liquid dish detergent and water to clean the product after use. Rinse carefully with water and dry. This will help you keep the original quality of your Stainless Steel Sink. Stainless Steel does not rust. Rust stains are a result of iron particles, from outside sources such as cookware, water, steel wood pads etc., that eventually develop into rust spots.

Please keep in mind:

1. Do not use scouring powder or steel wool to clean the surface.
2. Avoid use of Chlorine-based solutions
3. Silver polih leaves spots and it is not removal.
4. Acidic foods should be cleaned immediately.
5. Sharp objects can scratch the surface.
6. Do not let liquids dry on the surface.
