

PROTECTIVE FOR SURFACES IN WOOD (cleans, protects and polishes)

Water based, 3 in 1 formula this triple action formulation contains beeswax suitable for the regular maintenance, cleaning and protection of varnished, waxed and oil treated wood furniture.

SURFACES

The product can be used on natural wood, laminated and composite surfaces such as kitchen cabinets, tables, furniture and panels.

FEATURES

Thanks to its polyvalent formulation, the product cleans, protects and polishes the surfaces without leaving any build ups or smudges.

HOW TO USE

Spray product directly over the area to be cleaned at a 15-20 cms distance. Wipe the surface using a microfibre cloth until completely dry. No need rinsing.

CHEMICAL PROPERTIES

APPEARANCE: Liquid

MADE IN ITALY

ADVANTAGES

The product renews the surfaces and thanks to its beeswax Ph neutral formulation it gives an enhanced, warm glossy look and a pleasant, intense honey fragrance. Fast drying it does not leave a plastic like film.

ADVICE

3 ACTION WOOD is highly recommended for the maintenance of natural wood vintage and precious furniture and artifacts.

ATTENTION:

Carefully read the recommendations printed on the label. Always test before use. Do not dispose of the container in the environment after use, follow the disposal information indicated on the label. Keep out of reach of children. The product has anti-stain properties but does not protect surfaces from acids. Check the actual resistance of the material to the product on a hidden portion of the surface to be treated. When using the product, use suitable PPE and consult the safety data sheet.
