

DAILY SURFACE CLEANER/SANITIZER FOR COUNTER AND WORKTOPS

Ready to use, sanitizing detergent for the daily cleaning of all polished and semi polished surfaces. Highly recommended for all residential kitchens, hotels, communities and in professional environments to clean and maintain worktops, countertops and vanity units.

SURFACES

Product is suitable for use on all hard surfaces including: marble, stone, quartz, granite, linoleum, plastic and PVC, glass, laminates and all hard surfaces in general

FEATURES

Product sanitizes and cleans removing all surface dust, patinas and residues in one action. Product does not leave behind residues or streaks and does not require rinsing.

METHOD OF USE

Spray product directly to area to be cleaned maintaining a height of 15-20 cm. Spray on and wipe off using a clean cotton cloth or microfibre until completely dry.

ADVANTAGES

Multi surface product, cleaning and sanitizing in one pass. Non aggressive, pH neutral, specific non-flammable formulation which can be used on multiple surfaces. Leaves a pleasant fragrance and perfume when used.

ADVICE

Product can be used daily for all surface maintenance of all small hard surfaces such as desks, tables countertops and work tops
