

# SILENCER VO

SILENT CORE V/O-CUTTING BLADE

- Creates an L-BORDER Strip Without Breakage or Chipping
- Available for Granite/Quartz or Sintered Slab
- Makes the Lamination Process Easier and Faster
- Creates an Almost Invisible Seam
- Reduces Noise due to a Laminated Silent Core

## RECOMMENDED FOR:

- ✓ **Marmo Meccanica Polishing Machines with "V/O Cutting" System**
- ✓ **Montesor Polishing Machines with "V-Groove" Unit**
- ✓ **Poseidon Polishing Machine with "Pre-Cut" Spindles**
